业界领先卫浴智能镜与镜柜厂商

Leading manufacturer of LED mirrors and LED mirror cabinets

Introduction

MirrorTech, which is professional in R&D, is manufacturing various LED bathroom mirrors, illuminated bathroom mirror cabinet and accessories.

Each model is made of A-grade float glass and finished by 3rd generation eco-friendly mirror.

They are high reflective, giving clear and lifelike image, copper-free, preventing black edge corrosion that gets a durable lifetime quality even under bathroom humidity space.

Each model with CE, ROHS, TUV, UL, ETL, ERP, SAA approved and other professional three-party certification. MirrorTech, insisting to keep pace with each client's demand, continue to extend and upgrade the product lines.

Currently we have a variety of traditional aluminum frames, stainless steel frames, Etching pattern and LED multifunctional mirrors, while increasing research and development of touch screen and other technology home smart mirrors.

All these categories are attractive and they exported to the Europe, Australia and North America, and other more than 80 countries.
